

OPERATING RESPONSIBLY

Columbia Property Trust is proud to integrate best practices for sustainability, energy and water efficiency across our portfolio and remains committed to minimizing our environmental impact at each of the properties we own or manage.

221 MAIN

Your dedicated property team is committed to providing for the health, safety, and wellness of all building occupants.

That's why your workplace is certified among the best.

2023 Score: 94

We have established aggressive company targets across five categories - greenhouse gas emissions (GHG), energy, water, waste, and green building certifications, including:

10%

reduction in water intensity by 2030

Net Zero

commitments in line with local ordinances

100% Renewable Energy

221 Main is now powered by renewable resources

At 221 Main, we operate in an energy-efficient and sustainable manner and understand that our actions have an impact on our building's performance, our building's occupants, and our community.
